About Hess Midstream

Hess Midstream Partners LP is a fee-based, growth-oriented, traditional master limited partnership that was formed to own, operate, develop and acquire a diverse set of midstream assets to provide services to Hess and third-party customers. Hess Midstream's assets are primarily located in the Bakken and Three Forks Shale plays in the Williston Basin area of North Dakota. More information is available at www.hessmidstream.com.

Forward Looking Statements

This press release may include forward-looking statements within the meaning of the federal securities laws. Statements that do not relate strictly to historical or current facts are forward-looking. These statements contain words such as "possible," "if," "will" and "expect" and involve risks and uncertainties including, among others, that the Partnership's business plans may change as circumstances warrant and securities of the Partnership may not ultimately be sold to the public because of general market conditions or other factors. When considering these forward-looking statements, you should keep in mind the risk factors and other cautionary statements in the Partnership's prospectus and SEC filings. The Partnership undertakes no obligation and does not intend to update these forward-looking statements to reflect events or circumstances occurring after this press release. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this press release.
