Unit Repurchase Agreement

On August 4, 2025, Hess Midstream LP, a Delaware limited partnership (the “Company”), Hess Midstream Operations LP, a Delaware limited partnership and a subsidiary of the Company that holds all of the Company’s operating assets (“HESM OpCo” and, together with the Company, the “Partnership Entities”), and Hess Investments North Dakota LLC, a Delaware limited liability company (“HINDL”) and an indirect, wholly owned subsidiary of Chevron Corporation (“Chevron”), entered into a Unit Repurchase Agreement (the “Repurchase Agreement”) pursuant to which HESM OpCo agreed to purchase from HINDL 695,894 Class B units representing limited partner interests in HESM OpCo (“Class B Units” and such Class B Units subject to the Repurchase Agreement, the “Subject Units”) for an aggregate purchase price of approximately \$30 million (the “Repurchase Transaction”). The purchase price per Class B Unit is \$43.11, the closing price of the Class A shares representing limited partner interests in the Company (“Class A Shares”) on August 4, 2025. Pursuant to the terms of the Repurchase Agreement, immediately following the purchase of the Subject Units from HINDL, HESM OpCo will cancel the Subject Units, and the Company will cancel, for no consideration, an equal number of Class B shares representing limited partner interests in the Company held by HINDL, in accordance with Section 5.5(e) of the Amended and Restated Agreement of Limited Partnership of the Company, dated as of December 16, 2019.

The terms of the Repurchase Agreement were unanimously approved by the Board of Directors (the “Board”) of Hess Midstream GP LLC (“GP LLC”), the general partner of Hess Midstream GP LP, a Delaware limited partnership and the general partner of the Company (the “General Partner”), and the Conflicts Committee of the Board (the “Conflicts Committee”) consisting solely of independent directors. The Conflicts Committee retained independent legal and financial advisors to assist it in evaluating and negotiating the Repurchase Agreement and the Repurchase Transaction.

HINDL made customary representations and warranties in the Repurchase Agreement, including, among others, representations and warranties as to its organization, authorization to enter into the Repurchase Agreement, ownership of the Subject Units and necessary consents and approvals. Each of the Partnership Entities also made customary representations and warranties in the Repurchase Agreement, including, among others, representations and warranties as to their organization, authorization to enter into the Repurchase Agreement and necessary consents and approvals.

The Repurchase Agreement provides that the closing of the Repurchase Transaction is subject to the satisfaction or waiver of customary closing conditions. The Repurchase Agreement also provides for certain termination rights for both the Partnership Entities and HINDL, including if the Repurchase Transaction is not consummated on or before August 18, 2025 or if there is a material breach of the terms of the Repurchase Agreement that cannot be cured by such date. The Repurchase Transaction is expected to close on August 8, 2025.

The above description of the Repurchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Repurchase Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The Repurchase Agreement has been included to provide investors with information regarding its terms. The document is not intended to provide any other factual information about the Company, HESM OpCo, or HINDL. The representations, warranties and covenants contained in the Repurchase Agreement are being made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to the agreement, made solely for the allocation of risk between the parties and may be subject to limitations agreed upon by the contracting parties.

Relationships

The Company is managed and controlled by GP LLC. GP LLC is wholly owned by Hess Infrastructure Partners GP LLC (“HIP GP”), and HIP GP is owned 100% by HINDL. As a result, certain individuals, including officers and directors of Chevron, HINDL, HIP GP and the General Partner, serve as officers and/or directors of more than one of such other entities.

Item 7.01. Regulation FD Disclosure.

On August 5, 2025, the Company issued a news release announcing the Repurchase Transaction and entry into the ASR Agreement (as defined below).

A copy of this press release is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference. In accordance with General Instruction B.2 of Form 8-K, the information set forth in the attached Exhibit 99.1 is deemed to be “furnished” and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended.

Item 8.01. Other Events.

On August 4, 2025, following approval of the Board, the Company entered into an accelerated share repurchase (“ASR”) agreement with JPMorgan Chase Bank, National Association (the “Counterparty Bank”), to repurchase an aggregate of \$70 million (the “Repurchase Price”) of Class A Shares (the “ASR Agreement”).

Pursuant to the terms of the ASR Agreement, the Company paid the Repurchase Price to the Counterparty Bank and will receive an initial delivery of 1,136,627 Class A Shares (which represents an aggregate value of 70% of the Repurchase Price based on the closing price of the Class A Shares on August 4, 2025). The exact total number of shares to be repurchased under the ASR Agreement will be based generally on the average of the daily volume-weighted average prices of the Class A Shares during the term of the ASR transaction, subject to adjustments pursuant to the terms and conditions of the ASR Agreement. The Class A Shares repurchased under the ASR Agreement will be cancelled following settlement thereof. Upon final settlement of the ASR transaction, the Company may be entitled to receive additional Class A Shares from the Counterparty Bank or, under certain circumstances, the Company may be required to deliver Class A Shares or make a cash payment, at its option, to the Counterparty Bank.

The ASR Agreement is scheduled to terminate in September 2025. The Company funded the Repurchase Price with borrowings under its existing revolving credit facility.

Section 3.4 **Consents and Approvals**. Except (a) as would not, individually or in the aggregate, reasonably be expected to materially impede the ability of HINDL to consummate any of the transactions contemplated hereby, or (b) for any filings required for compliance with any applicable requirements of the federal securities Laws, any applicable state or other local securities Laws and any applicable requirements of a national securities exchange, neither the execution and delivery by HINDL of any of the Transaction Documents to which HINDL is a party, nor the performance by HINDL of its obligations thereunder, requires the consent, approval, waiver or authorization of, or declaration, filing, registration or qualification with any Governmental Authority by HINDL.

No proxies or powers of attorney have been granted with respect to the Repurchased Units. Except as contemplated by this Agreement, there are no outstanding warrants, options, agreements, convertible or exchangeable securities or other commitments pursuant to which HINDL is or may become obligated to transfer any of the Repurchased Units, except as (a) would not reasonably be expected to impair the ability of HINDL to deliver the Repurchased Units to HESM OpCo as contemplated hereby and (b) would not apply to the Repurchased Units following the delivery of the Repurchased Units to HESM OpCo pursuant to this Agreement.

Each Transaction Document executed or to be executed by a Partnership Party has been, or when executed will be, duly executed and delivered by such Partnership Party and, assuming the execution and delivery by the other parties thereto, constitutes, or when executed and delivered by the other parties thereto will constitute, a valid and legally binding obligation of such Partnership Party, enforceable against such Partnership Party in accordance with its terms, except to the extent that such enforceability may be limited by the Enforceability Exceptions.

Section 4.3 **No Conflicts or Violations.** The execution, delivery and performance of each of the Transaction Documents to which a Partnership Party is a party, and the consummation of the transactions contemplated thereby, do not: (a) violate or conflict with any provision of the organizational documents of such Partnership Party; (b) violate any Law applicable to such Partnership Party; (c) violate, result in a breach of, constitute (with due notice or lapse of time or both) a default or cause any obligation, penalty or premium to arise or accrue under any Contract to which any Partnership Party is a party; (d) result in the creation or imposition of any Lien or other encumbrance upon any of the properties or assets of the Partnership Parties or any of their respective subsidiaries; or (e) result in the cancellation, modification, revocation or suspension of any Permit of any Partnership Party or any of their respective subsidiaries, except in the case of clauses (b) through (e), as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Partnership Parties and their subsidiaries, taken as a whole.

Section 4.4 **Solvency.** After giving effect to the transactions contemplated by this Agreement and the other Transaction Documents, all liabilities (including contingent liabilities) of HESM OpCo (other than liabilities to partners of HESM OpCo on account of their partnership interests and liabilities for which the recourse of creditors is limited to specified property of HESM OpCo), will not exceed the fair value of the assets of HESM OpCo (except that the fair value of property that is subject to a liability for which the recourse of creditors is limited is included in the assets of HESM OpCo only to the extent that the fair value of the property exceeds that liability). The transactions contemplated by this Agreement and the other Transaction Documents will not impair HESM OpCo's ability to continue as a going concern.

Section 4.5 **Consents and Approvals.** Except (a) as would not, individually or in the aggregate, reasonably be expected to materially impede the ability of the Partnership Parties to consummate any of the transactions contemplated hereby, or (b) for any filings required for compliance with any applicable requirements of the federal securities Laws, any applicable state or other local securities Laws and any applicable requirements of a national securities exchange, neither the execution and delivery by any Partnership Party of any of the Transaction Documents to which such Partnership Party is a party, nor the performance by such Partnership Party of its respective obligations thereunder, requires the consent, approval, waiver or authorization of, or declaration, filing, registration or qualification with any Governmental Authority by any Partnership Party or any of their respective subsidiaries.

Each of the Partnership Parties acknowledges that, in connection with its entry into this Agreement and consummation of the transactions contemplated hereby, it has not relied on any express or implied representations or warranties of any nature, oral or written, made by or on behalf of HINDL or any of its partners, directors, officers, Affiliates or representatives, except for the representations and warranties of HINDL set forth in Article III and the documents delivered by HINDL in connection with the transactions contemplated hereby.

ARTICLE V COVENANTS

Section 5.1 **Further Assurances**. On and after the Closing Date, the Parties shall use their respective commercially reasonable efforts to take or cause to be taken all appropriate actions and do, or cause to be done, all things necessary or appropriate to make effective the transactions contemplated hereby, including the execution of any additional assignment or similar documents or instruments of transfer of any kind, the obtaining of consents that may be reasonably necessary or appropriate to carry out any of the provisions hereof and the taking of all such other actions as such Party may reasonably request to be taken by the other Parties from time to time, consistent with the terms of this Agreement, in order to effectuate the provisions and purposes of this Agreement and the transactions contemplated hereby.

Section 5.2 **Second Quarter Distribution**. The Parties acknowledge and agree that, to the extent that HINDL is the record and beneficial owner of the Repurchased Units as of the Record Date (as defined in the OpCo Partnership Agreement) for the cash distribution payable with respect to such Repurchased Units and attributable to the second quarter of 2025, then HINDL shall be entitled to receive, and HESM OpCo shall pay to HINDL, any such cash distribution payable with respect to the Repurchased Units transferred by HINDL hereunder as and when paid to the holders of OpCo Class B Units pursuant to the OpCo Partnership Agreement.

Section 5.3 **Cancellation of Class B Shares.** The Parties acknowledge and agree that, following the purchase of the Repurchased Units by HESM OpCo, at the Closing, Hess Midstream shall cancel, for no consideration, an aggregate number of Class B Shares held by HINDL equal to the aggregate number of Repurchased Units repurchased by HESM OpCo hereunder in accordance with Section 5.5(e) of the HESM Company Agreement.

Section 5.4 **Section 16 Matters.** Prior to the Closing, the Parties shall take all such actions as may be necessary or appropriate to cause the transactions contemplated by this Agreement to be exempt under Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended, to the extent permitted by Applicable Law.

Section 5.5 **Conflicts Committee.** Prior to the earlier of the Closing and the termination of this Agreement, the HESM Board shall not, and HINDL shall not cause the HESM Board to, without the consent of a majority of the then-existing members of the Conflicts Committee, eliminate the Conflicts Committee, revoke or diminish the authority of the Conflicts Committee or remove or cause the removal of any director of the HESM Board that is a member of the Conflicts Committee, either as a director or as a member of such committee. For the avoidance of doubt, this Section 5.5 shall not apply to the filling, in accordance with the provisions of the governing documents of GP LLC, of any vacancies caused by the resignation, death or incapacity of any such director or the removal of any such director for Cause.

Section 5.6 **Fairness Opinion.** The Conflicts Committee has received the opinion of Intrepid Partners, LLC to the effect that, as of the date of such opinion, and based upon and subject to the assumptions, qualifications, limitations and other matters set forth therein, the total Cash Consideration to be paid by HESM OpCo to HINDL at the Closing is fair, from a financial point of view, to Hess Midstream.

ARTICLE VI SURVIVAL

All representations and warranties of the Parties contained in this Agreement shall terminate as of the Closing Date. All covenants and agreements of the Parties contemplated to be performed prior to the Closing shall terminate as of the Closing Date. All covenants and agreements of the Parties contemplated to be performed following the Closing shall survive the Closing until performed in accordance with their respective terms.

(b) Performance of Covenants. The Partnership Parties shall have performed and complied with, in all material respects, all covenants required by this Agreement to be performed or complied with by the Partnership Parties prior to the Closing Date.

(c) No Injunctions or Restraints. (i) The representations and warranties of HINDL in Sections 3.1, 3.2, 3.3, 3.4, 3.5 and 3.9 shall be true and correct (without regard to qualifications as to materiality or Material Adverse Effect contained therein) in all material respects as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date), and (ii) the other representations and warranties of HINDL made in this Agreement shall be true and correct in all respects (without regard to qualifications as to materiality or Material Adverse Effect contained therein) as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date) except, in the case of clause (ii), where the failure of the representations and warranties to be true and correct, individually or in the aggregate, have not materially impeded or would not reasonably be expected to materially impede the ability of HINDL to consummate to the transactions contemplated hereby.

(b) Performance of Covenants. HINDL shall have performed and complied with, in all material respects, all covenants required by this Agreement to be performed or complied with by HINDL prior to Closing.

(c) No Injunctions or Restraints. ARTICLE VIII TERMINATION

Section 8.1 **Termination**. This Agreement may be terminated at any time prior to the Closing Date (it being understood that any termination by the Partnership Parties pursuant to this Article VIII shall not require the approval of the Conflicts Committee):

(a) by mutual written agreement of the Partnership Parties and HINDL;

(b) by either the Partnership Parties, on the one hand, or HINDL, on the other hand, if any injunction or other order, decree, decision, determination or judgment permanently restraining, enjoining or otherwise prohibiting consummation of the transactions hereunder shall become final and non-appealable or any Law that permanently makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited shall be in effect;

(c) by the Partnership Parties if there has been a breach of, or failure to perform, any representation, warranty, covenant or agreement made by HINDL in this Agreement, such that the conditions set forth in Section 7.2(a) or Section 7.2(b) would not be satisfied and such breach or failure to perform is not curable or, if curable, is not cured by the earlier of (i) the Termination Date (as defined below) and (ii) 45 days following receipt by HINDL of notice of such breach or failure from the Partnership Parties; *provided, however*, that the right to terminate this Agreement pursuant to this Section 8.1(c) shall not be available if either of the Partnership Parties is itself in breach of any provision of this Agreement or has failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement, and which breach or failure to perform would result in the failure of the conditions set forth in Section 7.1(a) or Section 7.1(b);

(d) by HINDL if there has been a breach of, or failure to perform, any representation, warranty, covenant or agreement made by the Partnership Parties in this Agreement, such that the conditions set forth in Section 7.1(a) or Section 7.1(b) would not be satisfied and such breach or failure to perform is not curable or, if curable, is not cured by the earlier of (i) the Termination Date and (ii) 45 days following receipt by the Partnership Parties of notice of such breach or failure from HINDL; *provided, however*, that the right to terminate this Agreement pursuant to this Section 8.1(d) shall not be available if HINDL is itself in breach of any provision of this Agreement or has failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement, and which breach or failure to perform would result in the failure of the conditions set forth in Section 7.2(a) or Section 7.2(b); or

(e) by either the Partnership Parties, on the one hand, or HINDL, on the other hand, if the Closing shall not have occurred prior to August 18, 2025 (the “**Termination Date**”); *provided, however*; that the right to terminate this Agreement pursuant to this [Section 8.1\(e\)](#) shall not be available if the failure of the Party so requesting termination to perform any covenant or obligation under this Agreement shall have been the primary cause of the failure of the Closing to occur on or prior to such date.

Section 8.2 **Effect of Termination**. In the event that this Agreement is terminated, this Agreement shall become null and void and no Party or any Party’s Affiliates, subsidiaries, directors, officers or employees, shall have any further obligation or any liability of any kind to any Person by reason of this Agreement except that no Party shall be relieved of any liability in respect of its breach of this Agreement that occurs prior to such termination.

The words “hereof,” “herein” and “hereunder” and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole, and not to any particular provision of this Agreement. All references herein to Articles and Sections shall, unless the context requires a different construction, be deemed to be references to the Articles and Sections of this Agreement. All personal pronouns used in this Agreement, whether used in the masculine, feminine or neuter gender, shall include all other genders, and the singular shall include the plural and vice versa. Section 9.2 **No Third-Party Rights**. The provisions of this Agreement are intended to bind the Parties as to each other and are not intended to, and do not, create rights in any other Person or confer upon any other Person any benefits, rights or remedies, and no Person is or is intended to be a third-party beneficiary of any of the provisions of this Agreement. Without limiting the generality of the foregoing, the Parties agree that their respective representations, warranties and covenants set forth in this Agreement are the product of negotiations among the Parties and are for the sole benefit of the Parties, in accordance with and subject to the terms of this Agreement, and no other Person has the right to rely upon the representations and warranties, or the right to enforce any covenants, set forth herein. Any inaccuracies in such representations and warranties are subject to waiver by the Parties in accordance with [Section 9.6](#) without notice or liability to any other Person. In some instances, the representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of the knowledge of any of the Parties. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 9.3 **Successors and Assigns**. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns. No Party may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other Parties.

Section 9.6 **Amendment or Modification; Waiver**. This Agreement may be amended, supplemented or modified from time to time only by the written agreement of all the Parties. Each such instrument shall be reduced to writing and shall be designated on its face as an amendment to this Agreement. Any extension or waiver of the obligations herein of any Party shall be valid only if set forth in an instrument in writing referring to this section and executed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition, of this Agreement. The failure of any Party to assert any of its rights hereunder shall not constitute a waiver of any of such rights.

Section 9.7 **Integration**. This Agreement, each of the other Transaction Documents and each of the other instruments referenced herein and therein and in the exhibits attached hereto supersede all previous understandings or agreements among the Parties, whether oral or written, with respect to the subject matter of this Agreement, each of the other Transaction Documents and such other instruments. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery of the State of Delaware without bond or other security being required, this being in addition to any other remedy to which they are entitled at law or in equity.

FOR IMMEDIATE RELEASE

HESS MIDSTREAM LP ANNOUNCES SIGNING OF ACCRETIVE \$100 MILLION REPURCHASE FROM SPONSOR AND THE PUBLIC

HOUSTON, August 5, 2025 - Hess Midstream LP (NYSE: HESM) (“Hess Midstream”), today announced an accretive \$100 million repurchase that included both Class B units of its subsidiary, Hess Midstream Operations LP, from an affiliate of Chevron Corporation (“Chevron”), Hess Midstream’s sponsor (the “Sponsor”), and Hess Midstream’s Class A shares from the public.

Hess Midstream announced the execution of a definitive agreement providing for the repurchase of approximately \$30 million of Class B units by its subsidiary, Hess Midstream Operations LP, from the Sponsor. The terms of the proposed unit repurchase transaction were unanimously approved by the Board of Directors of Hess Midstream’s general partner, based on the unanimous approval and recommendation of its conflicts committee composed solely of independent directors.

Hess Midstream also announced that it has entered into an accelerated share repurchase (“ASR”) agreement with JPMorgan Chase Bank, National Association (“JPM”), to repurchase \$70 million of Hess Midstream’s publicly traded Class A shares.

“We continue to execute repurchase transactions as part of our ongoing financial strategy, which prioritizes return of capital to our shareholders,” said Jonathan Stein, Chief Executive Officer of Hess Midstream. “Following these repurchase transactions, we expect to continue to have more than \$1.25 billion of financial flexibility through 2027 for incremental shareholder returns, including the potential for further unit and share repurchases over this period.”

The repurchased securities will be cancelled following settlement of each repurchase transaction, which is expected to result in increased distributable cash flow per Class A share providing capacity for incremental distribution growth above Hess Midstream's annual distribution target of at least 5% through 2027, consistent with Hess Midstream's return of capital framework.

Unit Repurchase Summary

Hess Midstream Operations LP, Hess Midstream's consolidated subsidiary, agreed to repurchase 695,894 Class B units of Hess Midstream Operations LP, equal to approximately 0.3% of the consolidated company, held by the Sponsor for a purchase price of approximately \$30 million. The purchase price per Class B unit is \$43.11, the closing price of the Class A shares on August 4, 2025. After completing the unit repurchase transaction but before giving effect to any repurchase of publicly traded Class A shares purchased by Hess Midstream in the ASR transaction, ownership of Hess Midstream on a consolidated basis will be approximately 62.4% for the public and 37.6% for Chevron. The unit repurchase is anticipated to close on August 8, 2025. Hess Midstream expects to fund the unit repurchase with borrowings under its existing revolving credit facility.

ASR Transaction

Under the ASR agreement, Hess Midstream agreed to make an upfront payment of \$70 million to JPM, and will receive an initial share delivery of 1,136,627 Class A shares from JPM, representing approximately 70% of the expected Class A share repurchases under the ASR agreement, based on the closing price of the Class A shares of \$43.11 on August 4, 2025.

The final number of Class A shares to ultimately be purchased by Hess Midstream under the ASR agreement will be based generally on the average of the daily volume-weighted average prices of Class A shares during the term of the transaction, subject to adjustments pursuant to the terms and conditions of the ASR agreement. Final settlement of the transactions under the ASR agreement is expected to occur in September 2025. Hess Midstream expects to fund the repurchase of Class A shares in the ASR from borrowings under its existing revolving credit facility.

Forward-looking statements are subject to certain known and unknown risks and uncertainties that could cause actual results to differ materially from our historical experience and our current projections or expectations of future results expressed or implied by these forward-looking statements. The following important factors could cause actual results to differ materially from those in our forward-looking statements: the ability

of Chevron and other parties to satisfy their obligations to us, including Chevron's ability to meet its drilling and development plans on a timely basis or at all, its ability to deliver its nominated volumes to us, and the operation of joint ventures that we may not control; our ability to generate sufficient cash flow to pay current and expected levels of distributions; reductions in the volumes of crude oil, natural gas, natural gas liquids ("NGLs") and produced water we gather, process, terminal or store; the actual volumes we gather, process, terminal or store for Chevron in excess of our minimum volume commitments and relative to Chevron's nominations; fluctuations in the prices and demand for crude oil, natural gas and NGLs; changes in global economic conditions and the effects of a global economic downturn or inflation on our business and the business of our suppliers, customers, business partners and lenders; our ability to comply with government regulations or make capital expenditures required to maintain compliance, including our ability to obtain or maintain permits necessary for capital projects in a timely manner, if at all, or the revocation or modification of existing permits; our ability to successfully identify, evaluate and timely execute our capital projects, investment opportunities and growth strategies, whether through organic growth or acquisitions; our ability to satisfy the closing conditions of the Class B unit repurchase or the ASR transaction; costs or liabilities associated with federal, state and local laws, regulations and governmental actions applicable to our business, including legislation and regulatory initiatives relating to environmental protection and health and safety, such as spills, releases, pipeline integrity and measures to limit greenhouse gas emissions and climate change; our ability to comply with the terms of our credit facility, indebtedness and other financing arrangements, which, if accelerated, we may not be able to repay; reduced demand for our midstream services, including the impact of weather or the availability of the competing third-party midstream gathering, processing and transportation operations; potential disruption or interruption of our business due to catastrophic events, such as accidents, severe weather events, labor disputes, information technology failures, constraints or disruptions and cyber-attacks; any limitations on our ability to access debt or capital markets on terms that we deem acceptable, including as a result of weakness in the oil and gas industry or negative outcomes within commodity and financial markets; liability resulting from litigation; risks and uncertainties associated with Hess Corporation's completed merger and integration with Chevron; and other factors described in Item 1A—Risk Factors in our Annual Report on Form 10-K and any additional risks described in our other filings with the Securities and Exchange Commission.

As and when made, we believe that our forward-looking statements are reasonable. However, given these risks and uncertainties, caution should be taken not to place undue reliance on any such forward-looking statements since such statements speak only as of the date when made and there can be no assurance that such forward-looking statements will occur and actual results may differ materially from those contained in any forward-looking statement we make. Except as required by law, we undertake no obligation to publicly update or revise any forward-looking statements, whether because of new information, future events or otherwise.
